

#### LINEA TRIPLE BIN 3410

### Refined form. Built for the public realm.

The **Linea Triple Bin 3410** is a triple waste and recycling unit designed for high-use environments. Its soft radius form and vertical timber slats create a refined presence suited to plazas, terminals, food courts, and urban streetscapes.

Crafted from premium hardwoods in **clear natural or stained finishes**, the Linea Arc 3410 pairs architectural elegance with proven durability. The precision-cut lid opens a full **180°** for easy access to three internal bins, supporting efficient servicing and separation of waste streams.
