

LISA TECHNOPOLYMER

Its elegance always draws attention. In this version, Lisa has a technopolymer seat and backrest. Soft shapes that convey a pleasant sense of richness and solidity; the tactile quality in the finishing of the surfaces and the choice of contemporary colours make the chair and barstool habitués of the most fashionable contract environments.

About the brand

S•CAB STUDIO is a place for open dialogue and exchange between the company and architects or interior decorators to communicate their world, their energy and passion. Both for indoor and outdoor environments.

A dedicated, special area to broaden the knowledge of a brand that has been synonymous with quality, innovation, and research for over 60 years, in addition to style and comfort.

Thus begins, today, a new journey that will thrive over time also thanks to the projects that you will want to share with us.

Its elegance always draws attention. In this version, Lisa has a technopolymer seat and backrest. Soft shapes that convey a pleasant sense of richness and solidity; the tactile quality in the finishing of the surfaces and the choice of contemporary colours make the chair and barstool habitués of the most fashionable contract environments.

BRAND

Scab Design

A great capacity of creation and attention to detail inherited from a long tradition make SCAB Design a symbol of **Italian production**. Extraordinary objects, which take shape from the principles of beauty and functionality. Infinite research for the perfection of matter, which has resulted in exclusive recognition by Bayer by granting us a licence to use the Makrolon®, brand name from now on Covestro made with Makrolon. Quality and style for home design and for the indoor and outdoor contract sector. A unique touch, to transform the ideal into the material.
