

LUBI CHAIR B-5005

The typical features of Lubi include rounded forms of soft-shaped backrests and internal edges of the legs.

A combination of a frame and moulded plywood backrest makes the structure of the furniture extremely robust and does not require additional connection of the legs. The solution makes its form visually light.

The legs of the bar stool are additionally connected with a metal footrest to increase the robustness of the structure.

Material: Beech
Suitability: Internal
Warranty: 2 years
