

LUMA 3100

Minimal form. Maximum utility.

The **Luma 3100** is a premium dual waste unit designed for indoor food courts and commercial spaces. Combining practical functionality with a clean architectural presence, it provides an elegant waste solution for modern environments.

Constructed from **durable steel and high-quality timber or laminate finishes**, the Luma 3100 houses two standard wheelie bins behind soft-close, push-to-open doors. The design accommodates clear waste separation, while maintaining a discreet, cohesive aesthetic suited to retail and hospitality interiors.

Specifications

- Capacity: 2 × 120 L wheelie bins (included)
- Application: indoor / food court use
- Finish options: timber, laminate, or powder-coated steel
- Access: push-to-open or soft-close doors
- Custom options: routed signage, colour coding, or branding
- Lead time: 4–6 weeks
- Made in Australia

Built for commercial environments

With over a decade of experience in public-space and hospitality design, the **Luma 3100** is built to withstand constant use while maintaining a refined visual identity. Functional, adaptable, and quietly sophisticated, it brings design integrity to everyday operations.
