

# Marie Wooden Low Table

---

The Marie Wooden Low Table is a commercial lounge and coffee table designed to bring warm timber character and balanced proportions to hospitality, café and communal spaces. Its refined wooden form and sturdy construction make it ideal for lounges, waiting areas, breakout zones and public interiors where durability and design matter. Built from high-quality timber with a detailed finish, the Marie Wooden Low Table suits relaxed seating configurations and everyday commercial use. The low profile and clean lines integrate seamlessly with soft seating, creating inviting settings in hotel lobbies, lounges, cafés and collaborative spaces. Available in multiple finishes to complement diverse interior palettes, the Marie Wooden Low Table anchors spaces with natural materiality and timeless design.
