

Marlen Stool Wood

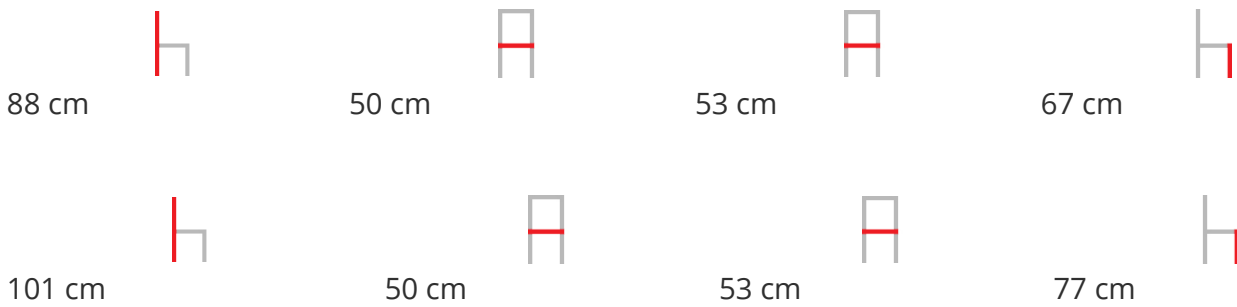

The Marlen project, the new TrabÀ seat designed by EP Studio, is born under the banner of comfort, ergonomics and resistance. A Fifties flavor can be seen in the curvature of the backrest - as generously padded as the seat - and in the 4-legged structure in light and dynamic metal rod, which becomes more prosperous and retro in the solid ash version. Brass or brushed copper enrich the color palette with a vintage taste to play with to get the perfect seat, in a residential project as well as for tailor-made contract.

DESCRIPTION:

Painted ash frame, padded seat and backrest
