## Motive Folding Bar Table M410 (Aluminium)

---

Motive is a collection of foldable tables defined by a poised, purposeful stance. Four die-cast aluminium legs rise into a central column, with moulded profiles expressed even in the smallest transitions.

Crafted entirely from aluminium and suited to high-use conditions, with a variety of top pairings make the collection adaptable across hospitality, workplace and public-space applications.

Features folding action with carry handle and bag storage hooks to support flexible layouts and compact storage.
