## Nardi

Nardi is an Italian brand known for its contemporary outdoor furniture that balances style, comfort, and durability. Designed and made in Italy, every Nardi piece reflects a refined approach to form and function, ideal for both commercial and residential settings.

Using high-quality resin reinforced with fibreglass, Nardi products are weather-resistant, UV-stable, and fully recyclable making them a sustainable choice for outdoor environments. Their furniture combines ergonomic design with bold colour palettes and distinctive Italian flair, creating spaces that feel inviting and timeless.

From poolside lounges and cafés to balconies and rooftops, Nardi furniture is made to perform in demanding environments while maintaining its elegance season after season.

Hospitality Furniture Concepts proudly supplies Nardi across Australia, helping designers and operators bring Italian design to local outdoor spaces.
