

Norra ST BR - Stool

Norra is a collection of products designed for the contract spaces - from restaurants, cafes and bars to workplaces and public areas. Norra evokes warm sensations thanks to the gentle curves of its medium-height upholstered shell, and a tapered look with the appeal of tradition. Available with a variety of base options including wooden or metal legs, as well as a variety of central columns with footrests for the stool version.

Norra ST BR
*Medium-height upholstered shell paired with a steel column flanged base.
Rounded steel tube footrest with flange shroud, in powder coated finish.
Optional with swivel function.*
