

#### NOVA C

The design of the Nova C creates seamless seating, promoting a natural flow, while its ergonomic contours provide the utmost comfort. Its small footprint makes efficient use of the space and are held in place by its own weight, with no need to bolt the sections to the floor, yet can be taken apart for thorough cleaning or reconfiguration.

Like all Green Furniture Concept pieces, the natural wood tones bring warmth and a sense of calm to any space, while the wide selection of available colors and optional accessories allows for customization to ensure every project is unique.

Nova C Series is designed and manufactured by our partner, Green Furniture Concept, and distributed exclusively to airports and passenger terminals throughout the Australia by Hospitality Furniture Concepts.

## Endless Configurations

Nova C is a collection of straight and curved pieces with or without backs that connect to create a myriad of combinations, and is available in Bench, Lounge and Perch configurations.

## Power Up

Easily add power modules below any seat, or install tables with seamlessly integrated wireless charging technology.

## Notable features

Manufactured with 100% commitment to environmental sustainability

## Approvals and Certifications
