

Nuta Light

Classic and authentic, elegant with fine detailing. Nuta is a seating collection made of technopolymer, with refined and timeless style, suitable for prestigious installations both indoors and out. These exquisitely defined lines of Nuta, harmoniously connected by Studio Favaretto, give a result that arouses wonder at first sight. Generous dimensions and superior ergonomic comfort distinguish Nuta in use, even for prolonged periods. A thin padded seat, as a welcome accessory, completes the possibility of combining the modern polymer colours with the most popular collections of fabrics and faux leathers.
