

Olivia Lounge

The Olivia Lounge is a sculptural commercial lounge seat that blends refined form with everyday performance. Curved profiles and premium upholstery create a relaxed yet composed presence suited to hospitality venues, hotel lobbies, airport lounges, workplace breakout areas and residential interiors. Designed for durability and comfort, the Olivia Lounge supports prolonged seating and frequent use in high-traffic spaces. Its elegant proportions and quality materials allow it to integrate seamlessly with contemporary interior schemes while providing reliable performance under daily commercial use. Available in multiple fabrics and finishes, the Olivia Lounge can be specified to complement diverse design palettes and functional programmes, from casual social zones to sophisticated lounge settings.
