

Fealty Table

COMMERCIAL TILED TABLE – MADE IN-HOUSE

This tiled table is manufactured in-house for hospitality and commercial interiors.

Designed for cafés, restaurants, bars and hotels, it combines a solid structural base with a durable tiled surface built for daily service.

Each table is made to order and can be produced in custom sizes to suit your layout.

You can nominate tiles from any Australian tile supplier, allowing you to match flooring, walls or brand finishes.

KEY FEATURES

- Australian made
- Custom sizes available
- Suitable for indoor and covered outdoor use
- Commercial-grade construction
- Compatible with porcelain and hospitality-rated tiles

DESIGNED FOR HOSPITALITY USE

The tiled surface provides a hard-wearing finish suited to high-traffic environments.

It delivers visual depth and texture while maintaining the strength required for commercial dining settings.

Each top is sized to suit your nominated table base to ensure stability and correct fixing.

CUSTOMISATION OPTIONS

- Square, rectangular or round formats
- Standard café and dining sizes
- Large communal tables to specification
- Client-supplied or nominated tile selection
