About Place

Place was born out of the collaboration between Curt Fentress and Michael McCoy.

The Place public seating system blends comfort and practicality with elegant design. With integrated power and USB at every seat, generous tablet arms, drink holders, under-seat storage – and plenty of personal space – Place lets travelers relax and unwind in comfort and style.

Place power with drink holder tablet arms

WITH PLACE, EVERY SEAT IS THE BEST SEAT IN THE HOUSE

Place's optional tablet arms create even more personal space between seats so passengers can eat, work or play in

comfort.

POWER FOR EVERYONE

Passengers can charge laptops, tablets, phones and gaming devices using Place's integrated power units with AC and USB ports.

WELCOME TO WIRELESS

Wireless charging can be safely and seamlessly integrated into the tablet arm of Place for fast and convenient charging without the use of a cable.

BRAND

Arconas

Your Trusted Source for Airport and Passenger Terminal Furniture

Arconas is the leading manufacturer and distributor of high-performance furniture for airports and passenger terminals in North America. With more than 50 years experience, we're dedicated to enhancing the passenger experience from departure to arrival with our comprehensive suite of seating, power, waste, recycling, and counter solutions. Our products are purposefully designed to the highest standards of durability, comfort and safety to satisfy the needs of travelers and terminal operators alike. **Airport Furniture Experts** Our team is committed to working closely with architects, designers, airlines and terminal operators to help achieve each airport's unique objectives. Since our inception in 1972, we have completed more than 400 airport installations at major hubs worldwide. We are a long-standing, active member of the Airports Council International, the American Association of Airport Executives and the Airport Consultants Council. We have been recognized as one of Canada's Best Managed companies, a distinction for which the company has re-qualified for year over year and now hold Platinum Status. We are also ISO 9001:2015 and ISO 14001:2015 Certified.
