

PLC Side

A modern take on traditional timber chairs, PLC is a simple and elegant chair that suits almost any environment. Produced from solid oak or beech with a pressed ply matching seat pan and backrest. Available in painted beech or oak with optional upholstered seat and/or backrest. For projects an extensive range of paint finishes, contract fabrics and leathers are available.

The finishes shown are our standard finishes, if you wish to specify any finish other than these options please contact us to discuss your requirements. Please note that colours are for reference only.

Upholstery

We offer a wide range of contract fabrics and leathers from a selection of manufacturers:

Leather
