

Poltrona

Poltrona is a purpose-built **auditorium and theatre seat** designed for performance venues, lecture theatres, conference centres and cultural institutions. Engineered for durability, comfort and long service life, it delivers reliable seating for high-capacity commercial environments.

The ergonomic backrest and supportive seat profile provide comfort during extended performances, presentations and events. Poltrona integrates clean architectural lines with practical functionality, making it suitable for both contemporary and traditional theatre interiors.

DESIGNED FOR HIGH-TRAFFIC VENUES

- Commercial-grade auditorium seating system
- Durable internal steel structure
- High-density moulded foam for long-term shape retention
- Tip-up seat mechanism for efficient aisle clearance
- Row mounting suitable for tiered and flat-floor installations

FLEXIBLE SPECIFICATION OPTIONS

- Wide range of commercial upholstery fabrics and finishes
- Optional armrests and writing tablets (project dependent)
- Custom row lengths and layout configurations
- Suitable for acoustic and fire compliance requirements

Poltrona is suited to theatres, cinemas, performing arts centres, universities, school halls, council chambers and conference facilities requiring durable, fixed auditorium seating.
