

PPE DISPOSAL BINS

Prepare your terminal or public space for new COVID-19 requirements with these dedicated PPE disposal bins. These bins are offered to encourage the proper disposal of Personal Protective Equipment (PPE) such as gloves and masks. PPE disposal bins are suitable for indoor or outdoor use. The light blue color creates a distinction among other waste bins and standard decals offer clear PPE disposal messaging.

Reduce PPE Litter

As the use of PPE increases to protect against the spread of COVID-19, the sight of masks and gloves littering the ground has become all too familiar. Dedicated PPE bins encourage individuals to properly dispose of these items. Equip your facility with the correct PPE disposal bins by talking to one of our experts today. We'll help you find the right PPE waste station for your environment.

Notable Features

- Distinct light blue powder coat finish
- Available with a hood for outdoor applications
- Custom decals for specific language requirements are available

Construction

Body: Powder coated steel
