

#### ROXANNE LE

Roxanne is a chair encompassing all the requirements of an iconic object: a strong personality, simplicity of design, and flawless functionality and image. The perfectly calibrated seat and backrest provide excellent comfort. Roxanne is a stackable chair, and therefore lends itself for use in public areas, such as conference halls and meeting rooms. It comes with a beech frame and slanting geometrical lines to ensure maximum stability and ergonomics. The frame, seat and backrest are in beech, either bleached, natural or lacquered in a very wide range of shades. The seat and backrest are padded and upholstered in fabric, velvet, leather, faux leather, or flame retardant Trevira textiles.

### Traba

TrabA' provides a reinterpretation of contemporary design, creating a unique style that does not merely follow in the wake of the latest trends, but offers an authentic way of living each and every space. The [chairs and tables](#) of the TrabA' collection arise from a fundamental requisite: to create a calibrated hybridization of tradition, modernity and innovation. The project was designed by emilio nanni for TrabA'. The designer has conducted an in-depth research into the concepts chair and table, reflecting on their archetypes and developing a new form of essentiality for this collection. The result is a series of universal products suited to the domestic and contract furniture markets and particularly suitable for bright and welcoming environments, eager for objects that add a touch of style and prestige, as well as a contemporary look, to private and collective living spaces. The wide range of seats on offer convey a sense of modernity with a twist, combined with a tangible quality reflected in a meticulous attention to detail and finishes, for a range permitting great versatility of use.
