

# Roxanne

---

## TRABA, ITALIA

Roxanne is a chair encompassing all the requirements of an iconic object: a strong personality, simplicity of design, and flawless functionality and image. The perfectly calibrated seat and backrest provide excellent comfort. Roxanne is a stackable chair, and therefore lends itself for use in public areas, such as conference halls and meeting rooms. It comes with a beech frame and slanting geometrical lines to ensure maximum stability and ergonomics.

The frame, seat and backrest are in beech, either bleached, natural or lacquered in a very wide range of shades. The seat and backrest are padded and upholstered in fabric, velvet, leather, faux leather, or flame retardant Trevira textiles.

Dimensions: L.51 cm X P.49 cm X H.77

Materials: beech frame

Colors: bleached, dusty cocoa, tin grey or lacquered natural ash
