

SETZ

Flexible. Sturdy. Resilient.

With ergonomics top of mind, Setz is available in a variety of colours with full, partial or no upholstery. It can be installed in single rows or in back-to-back configurations, with or without arms and tables. Setz is smartly conceived and exceptionally priced. Its allsteel construction means durability and easy maintenance. The Arconas name means extraordinary quality.

Setz[™] passes the most rigid fire standards in North America CAL 133 and in Europe (British Standard-5852).

BRAND

Arconas

Your Trusted Source for Airport and Passenger Terminal Furniture

Arconas is the leading manufacturer and distributor of high-performance furniture for airports and passenger terminals in North America. With more than 50 years experience, we're dedicated to enhancing the passenger experience from departure to arrival with our comprehensive suite of seating, power, waste, recycling, and counter solutions. Our products are purposefully designed to the highest standards of durability, comfort and safety to satisfy the needs of travelers and terminal operators alike. **Airport Furniture Experts** Our team is committed to working closely with architects, designers, airlines and terminal operators to help achieve each airport's unique objectives. Since our inception in 1972, we have completed more than 400 airport installations at major hubs worldwide. We are a long-standing, active member of the Airports Council International, the American Association of Airport Executives and the Airport Consultants Council. We have been recognized as one of Canada's Best Managed companies, a distinction for which the company has re-qualified for year over year and now hold Platinum Status. We are also ISO 9001:2015 and ISO 14001:2015 Certified.
