## Skala Bar Table S310 (HPL)

---

A collection of tables defined by precision-moulded aluminium profiles, Skala presents a clean, architectural silhouette. Its central column transitions seamlessly into four splayed legs, creating a lightweight yet rigid structure engineered for stability across a wide range of tabletops. Available in three height configurations and compatible with marble, composite terrazzo marble and HPL surfaces, Skala delivers long-lasting performance to commercial environments, making for a reliable solution for hospitality, workplace and high-traffic public settings.
