

SOLO F-90

Lightweight and airy, these panels are available in two lengths, designed to effortlessly blend into shared spaces. Whether placed across a desk for personal work or used to create cozy corners in a restaurant or office, the rattan weave adds a decorative touch that contrasts with the more imposing feel of traditional dividers. The floor version extends this flexibility, allowing to softly delineate larger spaces without blocking light or overwhelming the room. Perfect for modern workspaces, hotels, and co-working spaces, the screens reflect the shift towards more natural, human-centered design, offering an elegant alternative to heavy, fabric.
