

SQUID TABLE

Squid comes from the need to create a versatile table according to the top, adaptable to different environments, and available in various shapes and sizes. A table that can feature HPL and marble tops alike, available in the rectangular or hexagonal version. The fulcrum of the project is the die-cast aluminum leg, whose original section resembles the shape of a cuttlefish bone.

About the brand

S•CAB STUDIO is a place for open dialogue and exchange between the company and architects or interior decorators to communicate their world, their energy and passion. Both for indoor and outdoor environments.

A dedicated, special area to broaden the knowledge of a brand that has been synonymous with quality, innovation, and research for over 60 years, in addition to style and comfort.

Thus begins, today, a new journey that will thrive over time also thanks to the projects that you will want to share with us.

Squid comes from the need to create a versatile table according to the top, adaptable to different environments, and available in various shapes and sizes. A table that can feature HPL and marble tops alike, available in the rectangular or hexagonal version. BRAND

Scab Design

A great capacity of creation and attention to detail inherited from a long tradition make SCAB Design a symbol of **Italian production**. Extraordinary objects, which take shape from the principles of beauty and functionality. Infinite research for the perfection of matter, which has resulted in exclusive recognition by Bayer by granting us a licence to use the Makrolon®, brand name from now on Covestro made with Makrolon. Quality and style for home design and for the indoor and outdoor contract sector. A unique touch, to transform the ideal into the material.
