

#### STATO B/T-Q-R

The STATO B table designed for bars and restaurants features a classic, minimalist design that blends seamlessly with the interior scheme of any public space.

The B/T low version comes with a round top, available in two sizes. The base, being compact in size, easily accommodates various seating arrangements, to meet the changing needs of patrons.

The B/Q version uses the same base and features a square top, which comes in two sizes, allowing a number of tables to be pushed together: this feature makes it an ideal option for restaurants that need to accommodate large parties and require the versatility to reconfigure spaces quickly.

Lastly, the B/R version is styled on the typical rectangular shape of bistro tables, and can be pushed together side to side or end to end to meet diner requirements.

The collection also includes the Stato A tall table.
