

SUDOKU BARSTOOL H-9820

Slim, effective stool. A distinctive feature of Sudoku is the backrest, reminiscent of a spread fan and with rear legs connecting directly to the armrests.

Despite the use of unique, traditional, beech wood bending technology, the hoker works great in all interiors, not only those styled in retro / vintage.

The high stability and durability of the furniture is guaranteed by joints located at the bottom of the legs.

Material: Beech
Suitability: Internal
Warranty: 2 years
