

#### TA 1 - 1/Q

The TA 1 metal table is an immediately recognizable piece thanks to the distinctive design of the tubular steel frame, especially the base.

The table top, which is ideal for outdoor use, comes in a square version, in addition to the round, so that a number of tables can be pushed together. The top folds easily for horizontal stacking, thus allowing for the most efficient use of space as needs dictate.

Another distinguishing trait of this designer table for bars and restaurants is its range of options: the frame comes in six different colours.

The collection also includes tall tables in the same design.

## BRAND

### Colos

All projects by Colos emerge from the opportunity given to young designers from various nations to encounter the world of Italian industry. This encounter between the designers' esthetic and functional research and the company's great industrial experience leads to solid and elegant products which are developed within an optimized production process.

# COLOS

The manufacturing is exclusively carried out in the company factories in Loria, Italy. In doing so, Colos can ensure the quality of its products and of the working conditions of its personnel. Ethical, durable and affordable: this is what a Colos product is to us.
