

#### TA 1 - 1/Q

The TA 1 metal table is an immediately recognizable piece thanks to the distinctive design of the tubular steel frame, especially the base.

The table top, which is ideal for outdoor use, comes in a square version, in addition to the round, so that a number of tables can be pushed together. The top folds easily for horizontal stacking, thus allowing for the most efficient use of space as needs dictate.

Another distinguishing trait of this designer table for bars and restaurants is its range of options: the frame comes in six different colours.

The collection also includes tall tables in the same design.
