

Terminus Outdoor Low Stool

Product Summary

The Terminus Outdoor Low stool is part of a range that includes stools, bar stools and chairs. Made from galvanised steel, making it perfect for outdoors, Terminus outdoor is suitable for both interior and exterior settings. The galvanised coating provides protection of all steel surfaces and prevents rusting. Available in black and white. Seat height is 45cm. Due to the popularity of the Terminus Outdoor Low stool, this item may be temporarily out of stock. Please confirm stock availability via our enquiry form or call one of our showrooms.
