

TRICK WOOD

The curves define the metal structure of Trick, a barstool with a minimalist yet expressive and joyful design, with a comfortable and welcoming seat. Thanks to the great comfort of the padded or wooden seat and to the coated frame or with galvanized finish, it is perfect as an indoor complement for a bar counter. In the totally coated metal version, it also lives in hybrid in&out spaces, like the outside of venues and covered terraces.

About the brand

S•CAB STUDIO is a place for open dialogue and exchange between the company and architects or interior decorators to communicate their world, their energy and passion. Both for indoor and outdoor environments.

A dedicated, special area to broaden the knowledge of a brand that has been synonymous with quality, innovation, and research for over 60 years, in addition to style and comfort.

Thus begins, today, a new journey that will thrive over time also thanks to the projects that you will want to share with us.

BRAND

Scab Design

A great capacity of creation and attention to detail inherited from a long tradition make SCAB Design a symbol of **Italian production**. Extraordinary objects, which take shape from the principles of beauty and functionality. Infinite research for the perfection of matter, which has resulted in exclusive recognition by Bayer by granting us a licence to use the Makrolon®, brand name from now on Covestro made with Makrolon. Quality and style for home design and for the indoor and outdoor contract sector. A unique touch, to transform the ideal into the material.
