

Trudy

Designed by Studio Sagitair, the Trudy chair includes rounded profile legs and soft lines throughout the backrest, angled backwards upon a bentwood frame. The backrest is left exposed to showcase the craftsmanship of work. The seat and back are available as timber or upholstered, with the option of hand-woven straw seats and cane backrests. Operating since 1970, SF Collection have continued to supply Italian-made articles manufactured by people who come up with solutions enabling and combining design and product sturdiness.
