

Vera Sofa

An outdoor living collection that embraces the concept of harmony between man and nature. Its soft, flowing forms evoke the delicate movement of leaves caressed by the wind, while the visual lightness of the decorative details recalls the grace of a Zen garden. The cushion, inspired by the purity of the lotus flower, invites a moment of pause and contemplation, transforming any outdoor space into a haven of relaxation and absolute well-being. An immersive experience, where design meets the poetry of nature.
