Brand Content

VERTEX is a set of table and chairs with triangular planes which join dynamically together to create comfortable forms suitable for dining or meeting rooms, banquet or lecture halls and other casual needs. VERTEX looks as if it was chiseled from a single block of material, what remains is structural yet, beautiful. The VERTEX collection was created to integrate a more conceptual architectural piece into our space, to give it a more sophisticated touch.

Vondom

Vondom is a Spanish design house that creates bold, sculptural furniture for indoor and outdoor environments. Based in Valencia, the brand is celebrated for its distinctive forms, vibrant colours, and innovative use of materials. Every piece reflects Vondom's vision of transforming spaces into striking, contemporary experiences.
