

#### VETTA 212

### Refined function for the modern food court.

The **Vetta 212** is an indoor waste and tray-return unit designed for commercial food courts and hospitality environments. Featuring dual wheelie bin storage with push-to-open doors and a dedicated tray return, it delivers an intuitive, user-friendly waste solution in a refined architectural form.

Cladded in **white-washed American Oak** with precision **routed lettering**, the Vetta 212 combines warmth and simplicity. Built for longevity in high-traffic settings, it merges durability with understated design — ideal for malls, food halls, and shared dining areas.

---

### Specifications

- Configuration: double-bin with tray return
- Capacity: 2 × 120 L wheelie bins (included)
- Finish: white-washed American Oak cladding
- Detail: routed lettering for clear waste separation
- Access: push-to-open front doors
- Application: indoor / food court use
- Lead time: 4–6 weeks
- Made in Australia

---

### Built for performance

Drawing on over a decade of experience in public-space manufacturing, the **Vetta 212** is crafted to meet the demands of busy environments. Every detail — from the push-to-open access to the oak cladding — is designed to provide a long-lasting, elegant solution for daily use.
